Mission Statement

Our basic philosophy is to offer training to prepare successful graduates with the skills needed to secure employment in cosmetology arts and sciences, the massage field, and/or other related fields, and/or unrelated fields. With this in mind, we continually survey the profession to keep abreast of current trends, designs, and techniques required by employers. Teachers give “individual” as well as “class” instruction. This combination helps serious students to realize their goals.

The highest academic and career standards are maintained to assure graduates of superior capability in their profession. The curriculum is flexible enough to allow for new procedures and techniques as they are developed, yet solid enough to maintain high academic standards. The final objective is, of course, to graduate students who will secure and retain employment and advance their profession.

EVALUATION METHODS:
Theory: Lectures are given on all cosmetology practices; including personal hygiene, good grooming; salesmanship, courtesy, neatness, attitude in meeting the public; and antiseptics.
Operations: Hands on practice of clinical operations.

A student enrolled in the six hundred (600) hour instructor training course may not engage in the school in a complete service connected with any practice or combination of practices of cosmetology upon a patron who is paying for services or materials and shall not be permitted to enroll in a second course except following examination failure after the preceding course. The school maintains complete records on each student/graduate for reference, as required by the state. All students receive a complete theory and practical test after 500 hours. It simulates actual State Board Procedure and constitutes a final exam. Individual tutoring if needed, is available in preparation for the State examination. Each student is graded monthly in his/her practical work, attendance, appearance, and attitude. Each student will be tested at the end of each lesson/chapter in theory. The grading system is as follows:

94% - 100% = A = Outstanding
87% - 93% = B = Above Average
80% - 86% = C = Average
75% - 79% = D = Below Average
Below 75% = F = Failing

Progress reports are generated monthly by our computer system. Students receive a copy and a signed copy is maintained in the student’s file. Students are counseled bi-monthly.

Satisfactory Academic Progress Policy

Satisfactory progress in attendance and academic work is a requirement for all students enrolled in this school. It is printed in the catalog to ensure that all students receive a copy prior to the first day of class. Note: Students receiving funds under any Federal Title IV financial aid program must maintain satisfactory progress in order to continue eligibility for such funds.

DEFINITION:
At Lancaster Beauty School, satisfactory progress is defined by the following criteria:

1. A grade point average of 75% or above.
2. An attendance average of 67% or above of the scheduled hours of attendance.
3. Satisfactory progress evaluations are based on actual hours.

1. MAXIMUM TIME FRAME – 1 ½ times the normal time frame for completion
A. Cosmetology - 1600 hrs. (40 hrs. per week) / completion time 14 months
B. Cosmetology - 1600 hrs (30 hrs. per week) / completion time 18.5 months
C. Cosmetology - 1600 hrs (24 hrs. per week during High School months and 40 hours per week during summer months) / completion time 22 months.
D. Manicuring- 400 hrs. (40 hrs per week) / completion time 15 weeks.
E. Advance Manicuring – 600 hours (30 hrs per week) / completion time 30 weeks
F. Teacher Training - 600 hrs (40 hrs per week) / completion time 22.5 weeks.
G. Esthetician – 600 hrs (30 hrs. per week) / completion time 30 weeks

Students who fail to complete the course within the maximum time frame will not be making satisfactory progress and only students considered to be making satisfactory progress are eligible for Federal Aid.

2. ACADEMICS AND ATTENDANCE
Progress Evaluations are issued to the students for each payment period: Cosmetology - every 450 hours, Teacher Training - every 300 hours, Manicuring - every 200 hours, Advanced Manicuring - every 300 hours, Esthetician - every 300 hours, and Barbering - every 450 hours, Barbering Crossover - every 200 hours, Cosmetology Crossover - every 200 hours.

Grading Policy for Theory and Practical:
A - 94%-100%
B - 87%-93%
C - 80%-86%
D - 75%-79%
F - Below 75%

Satisfactory Progress:
Students who maintain a 75% average in both Theory and Practical and also maintain 67% attendance are deemed to be making satisfactory progress. Each student will receive a copy of his/her Satisfactory Academic Progress Determination at the time of each evaluation.
A. Theory example: Subject-Bacteriology - Test 100 Points possible - Homework 100 Points possible; test 75 Points earned. Homework 100 Points earned = 80% - B

B. Practical Example: Permanent Wave - 10 steps - 10 Points possible. Permanent Wave 10 steps completed, 8 Points earned = 80% - B

C. Attendance Example: 750 hours earned, 800 hours possible = 94% - A

3. PROGRESS EVALUATIONS
Students who meet requirements at the time of evaluation will be considered making satisfactory progress until the next evaluation. Student must meet attendance and academic requirements on at least one evaluation by mid-point of the course.

4. WARNING
Students who fail to meet requirements on any level will be given a written WARNING notice stating that they have one pay period to meet the requirements for satisfactory progress. During this time frame, the student will be considered to be making satisfactory progress, and financial aid funds can be disbursed to eligible students. If the student does not make satisfactory progress at the end of the WARNING period, the student will be determined to be not making satisfactory progress, and all financial aid will be terminated.

Students may meet the requirements in the following ways.

Theory - Turn in all missing homework assignments. Only (1) one make-up test is given; therefore if that is missed the instructor will assign an outline on the subject.

Practical - Printed practical assignments will be issued to students. Evaluations are done by practical evaluations of each step and/or oral answers to each step on printed assignments sheets.

Attendance: Students must bring their attendance up to 67% of the required attendance prior to the next pay period. At the end of the warning period, the student’s progress will be re-evaluated. If student fails to meet minimum requirements, all financial aid will be terminated.

5. PROBATION
Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory progress, and all financial aid will be terminated.

6. APPEAL PROCEDURE
If a student is determined to not be making satisfactory academic progress, the student may appeal the determination. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student’s situation that will allow him/her to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

7. RE-ESTABLISHING ELIGIBILITY
The student whose financial aid has been terminated for unsatisfactory progress and remains in school will not be paid any additional financial aid until she/he has completed the hours previously paid for, has a 75% CGPA and will be able to complete the program within the maximum time frame.

8. LEAVE OF ABSENCE
Should a student find it necessary to be out of school for an extended period of time, a leave of absence must be requested in writing. If the student is not making satisfactory progress before the interruption of training, the student will resume his/her training in the same status as prior to the interruption. During an approved leave of absence, the student may receive Pell that was already earned, but Direct Loan disbursements cannot be made. A leave of absence is limited to 60 days unless medical reasons exist. The leave of absence must be approved by the school. In the case of an emergency,
the school MAY grant a leave of absence of up to 180 days with documentation. A leave of absence extends the contract period and maximum time frame by the same number of days taken on the leave of absence.

9. COURSE INCOMPLETE, REPETITION, AND NON CREDIT REMEDIAL COURSES
These do not have an effect upon the satisfactory progress standards.

10. RE-ENTRY STUDENTS
If a student re-enters the institution, he/she will enter in the same progress status as when they left. All previous hours and grades are counted.

11. TRANSFER OF CREDIT
Transfer hours will be considered when determining the maximum time frame for completion of the program.

12. WITHDRAWALS
If the student withdraws from the program, the student’s maximum time frame is normally not affected but the student’s status at the time of withdrawal could affect the student’s financial aid eligibility if he/she were to return.

The student has access to his/her satisfactory progress evaluation by making an appointment with the Administration office to go over his/her grades and attendance. Each student will sign his/her Satisfactory Progress Report at the time it is computer generated.

Attendance Policy

Students are expected to attend school on their contracted schedule. You are considered making satisfactory progress if you attend a minimum of 67% of scheduled hours per month, which includes any medical tardiness or any other reason for missing whole or part of any day. A leave of absence must be requested in writing, submitted to the Director, and approved. You are required to make up any test that you miss. Because the courses are based on hours, missing school necessitates a postponement of your anticipated completion date. Each hour missed extends your program. In order to graduate, you must complete the hours for the courses that you are enrolled in.

Hour may be made up with the approval of the administrative office.

If a student clocks in after 8:30 a.m., he/she will not be allowed in Theory and will not receive time for class. The student may clock in after theory at 10:00 a.m. if he/she has made arrangements with the school to be late.

If a student is absent 14 consecutive calendar days, the Institution must make a determination on the student’s enrollment status.

After the first five days of school, if a student withdraws or fails to attend classes for 14 consecutive calendar days, the student is responsible for any charge he/she may have incurred, such as equipment received, tuition for hours he/she was scheduled for, and a registration fee. If the student drops within the first five days and completes and returns the notice of cancellation, he/she will be charged for equipment received. Students are asked to read the “Notice of Cancellation” Policy. If the financial aid has not been completed, the student will be responsible for the balance due to the school. If there is a refund due to the Department of Education, the student will be responsible for the balance due to the school after the refund.

If a student misses over the allowed absent hours, he/she will be charged an additional hourly fee for all hours over.

All fees must be paid prior to the student receiving proof of training.

The Director will advise students on an as-needed basis during hours of operation.

REINSTATEMENT OF FINANCIAL AID ELIGIBILITY

Students who have lost eligibility for financial aid can have eligibility reinstated by improving their academic average, attendance average, or both, to the designated standards of the satisfactory progress definition.
CAMPUS SECURITY POLICY AND CRIME STATISTICS

Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act), and the Safe and Drug-Free Schools and Communities Act (DFSCA): Policies, Reporting, Warnings, and Notifications

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, more commonly known as the Clery Act, is contained (along with other security-related disclosure requirements) in section 485 of the Higher Education Act, codified at 20 U.S.C. § 1092. It requires all postsecondary education institutions to keep records and report annually on the nature, date, time, and place of crimes occurring on campus, including hate crimes. It also prescribes a number of security-related protocols for emergency response procedures, timely notifications for on-campus crimes, etc.

For your information, a copy of Lancaster Beauty Schools Annual Campus Safety and Security Report (also known as our Annual Security Report, or ASR) is attached. This report is distributed in compliance with the Clery Act. Also included is a copy of information relating to Lancaster Beauty School’s Drug and Alcohol Abuse Prevention Programs. The ASR and Drug and Alcohol Abuse Prevention programs information is available online at www.lancasterbeautyschool.com.

Lancaster Beauty School’s commitment to safety and security includes:
- Providing a secure and crime free environment for students, faculty and staff.
- Performing regular evaluation of security programs.
- Monitoring and following up on each crime reported at Lancaster Beauty School location.

We believe student, faculty, and staff behavior which promotes security awareness is important in all aspects of our lives and we encourage all students, faculty and staff to accept responsibility for their own security as well as the security of other members of the Lancaster Beauty School community.

STATEMENT OF CURRENT POLICIES REGARDING PROCEDURES FOR STUDENTS AND OTHERS TO REPORT CRIMINAL ACTIONS AND POLICIES CONCERNING THE INSTITUTION’S RESPONSE TO SUCH REPORTS

Students, faculty or staff who wish to report criminal actions, should immediately contact the academic administrator or other responsible supervisory personnel at their campus. The criminal action should then be immediately reported by students, faculty or staff to the local authorities for assistance and/or investigation. The Lancaster Beauty Schools Accident/Incident Report Form is completed with the assistance of the person reporting the criminal action. The report should be filed as soon as possible with the Director who will follow up on the report personally or assign responsibility to another appropriate administrator to follow up and report on the outcome as well as any preventative or other actions taken to ensure the safety and security of all staff, faculty and students.

Additional copies of the Lancaster Beauty School Accident / Incident Report Form may be requested from the Administration Office.

See http://lancasterbeautyschool.com

PREPARING THE ANNUAL DISCLOSURE

The Director, serving as the campus security authority (CSA) for the school, has the responsibility of gathering the data used to prepare the annual campus crime statistics report. Campus crime data is gathered the same day that it is reported. The data is obtained from reports made to local law enforcement. Crimes are counted in the disclosure based upon the crime having been reported, not whether there was a conviction. Data is obtained annually from local law enforcement and compared with the data gathered at the Lancaster Beauty School. The resulting data is used to prepare the annual crime statistics report.

The ASR is published and distributed by October 1 of each year to current students and employees. A notice of the ASR’s availability is also provided to prospective students and employees, with a notice that a paper copy is available upon request.
REPORTABLE OFFENSES UNDER THE CLERY ACT

The Clery Act requires reporting on the following offenses:

- murder;
- manslaughter (non-negligent);
- sex offenses, forcible and non-forcible;
- robbery;
- aggravated assault;
- burglary;
- motor vehicle theft;
- arson;
- arrests, or persons referred for campus disciplinary action for liquor law violations;
- arrests, or persons referred for campus disciplinary action for drug-related violations;
- arrests, or persons referred for campus disciplinary action for weapons possession; and
- hate crimes, [which for Clery Act purposes include any crime listed in the preceding points and, as of 2008, larceny-theft; simple assault; intimidation; and destruction, damage, or vandalism of property in which the victim is intentionally selected because of his or her actual or perceived race, gender, religion, sexual orientation, ethnicity, or disability.]

**On March 7, 2013, President Obama signed the Violence Against Women Reauthorization Act of 2013 (VAWA). Among other provisions, this law amended the Clery Act to require postsecondary institutions to include in their Annual Campus Security Report all instances of domestic violence, dating violence and stalking; and instances of gender identity and national origin crimes which fall under the category of Hate Crimes. These new reportable items must be included in the ASR released by October 1, 2015.

GEOGRAPHICAL AREA

The Clery Act requires each institution to disclose crime statistics that occur on three types of property: campus, non-campus buildings or property, and public property areas.

“Campus” is defined as buildings or property owned or controlled by the institution within the same reasonably contiguous geographic area and used by the institution in a manner related to the institution’s educational purpose. It also includes property in that contiguous area owned by the institution but controlled by another person, if that property is used by students and supports institutional purposes (e.g. a food or retail vendor). Branch campuses and geographically disconnected administrative divisions or schools would be considered separate campuses for the purposes of reporting.

“Public property” is property that is located within the same reasonably contiguous geographic areas of the campus, like a sidewalk, street or public parking lot, that is adjacent to a facility owned or controlled by the institution for purposes related to the institution’s educational purposes. Crimes occurring on “public property” must also be reported in the crime statistics.

A “non-campus building or property” is one that is owned or controlled by a school recognized student organization, or one that is owned or controlled by the institution and used by students or by the institution for education-related purposes and that is not within the same reasonably contiguous geographic area of the campus. Crimes occurring on “non-campus property” must be reported. However, incidents occurring on public property adjacent to “non-campus buildings or property” do not have to be included. Our institution does not have such property in this category for which we must report.

TIMELY CAMPUS WARNINGS or ALERTS

A timely warning to the campus community is distributed regarding any of the above listed crimes (see Reportable Offenses under the Clery Act) which are deemed to represent a threat to the students and employees, and which are reported to campus officials or to local police agencies. The campus crime alert is issued in a manner that is timely and will aid in the prevention of similar crimes. The manner of dissemination to alert the campus community may include one or more of the following methods: e-mail, voice mail, and text messages. In addition, the CSA or other campus officials will post relevant warnings, updates and advisories on the appropriate school Website (www.lancasterbeautyschool.com). Campus officials may decide to issue an alert about a crime occurring off-campus but in a location frequented by students, even though such a crime would not be included in the annual report.
A STATEMENT OF CURRENT POLICIES CONCERNING CAMPUS LAW ENFORCEMENT AND POLICIES THAT ENCOURAGE PROMPT REPORTING OF ALL CAMPUS CRIME TO THE CAMPUS POLICE AND LOCAL POLICE

Lancaster Beauty School is essentially a non-residential School, and does not have a campus police force. Therefore, all crimes are reported to local authorities as described in the first section regarding policies and procedures to report crimes.

The Lancaster Beauty School Accident / Incident Report Form (referenced above) may be requested from the Administration Office to assist in the description and recording of an incident of crime or emergency.

Voluntary confidential reporting: As Lancaster Beauty School is essentially a non-residential School, and does not have a campus police force all crimes must be reported to local authorities. Local law enforcement will allow a victim or witness to report crime on a voluntary and confidential basis.

Crime Reporting
Efforts are made to inform members of the campus community on a timely basis about campus crime and crime-related issues. These efforts include the following:

• Daily Crime Log – The Administration Office maintains a daily crime log, which is available for review within two days of request except in cases such as where disclosure of such information may be prohibited by law, jeopardize the confidentiality of the victim, etc.
• Crime Alerts – Crime Alerts are published when a crime occurs on or near campus that potentially threatens the campus community. The crime alerts are distributed in a variety of methods, depending upon the incident. (See Timely Campus Warnings above.)

How to Report Crimes on Campus
Students and employees are cautioned never to attempt to apprehend or pursue a suspected criminal. Crimes or suspected criminals should be reported to the CSA or other designated staff member or, if appropriate, to 911. Immediately report any crimes or suspicious activity by:

• Calling (661) 948-1672 or (661) 948-7204
• Stopping by the Administration Office.

If you have any doubts about whether to report something that has occurred, report it. Victims of, or witnesses to, crimes may disclose them on a voluntary, confidential basis to the CSA, which can then determine whether the event constitutes a crime that has to be collected and statistically reported. Your cooperation in timely reporting assists the school in issuing equally timely warnings to the campus community. All crimes must be reported immediately.

Always use your eyes, ears, and telephone to keep campus officials advised of what you see and hear. Call the Administration Office when you see:

• Strangers loitering in office areas, hallways, classrooms, or lounge areas, etc.
• Unsecured doors or windows in campus buildings that are supposed to be locked
• Anyone tampering with a motor vehicle or loitering in a parking lot
• Persons publicly displaying a weapon
• Persons loitering in dark or secluded areas
• Suspicious persons carrying articles, equipment, luggage, or other packages out of campus buildings

Crime is a serious problem with no easy solutions. Therefore, all members of the school campus community are encouraged to assist one another by taking responsibility for personal safety and assisting with the security needs of others. While school staff and security measures may offer assistance regarding safety and security concerns, ultimately the primary responsibility for your personal safety rests with you.

Safety Tips

• Stay alert of your surroundings, wherever you are.
• If you feel uncomfortable in a place, leave right away.
• Keep eyes and ears open, hands free.
• Choose busy streets and avoid going through deserted areas.
• At night, walk in well-lit areas whenever possible.
• Try not to walk or jog alone. Take a friend or walk in group.
• Avoid carrying large sums of cash.
• When in public spaces, keep valuable items including jewelry, mobile phones and wallets out of sight.
• Carry a pepper or mace spray as a precautionary measure.
• Avoid returning to campus after dark, or walk in groups to and from buildings.
• Communicate suspicious behavior immediately to a staff or faculty.

A STATEMENT OF PROGRAMS AND INFORMATION AVAILABLE TO STUDENTS AND EMPLOYEES

SECURITY, PERSONAL SAFETY AND CRIME PREVENTION

Lancaster Beauty School provides information on personal safety and crime prevention. The Administration office has a directory of services that are available, within the community, to assist those who have suffered from a criminal act. These services are usually free and are provided by the community. During the orientation of students, faculty and staff, procedures are outlined to cover the reporting of all criminal acts.

Campus Sex Crimes Prevention Act

The federal Campus Sex Crimes Prevention Act that became effective October 27, 2002 requires eligible institutions participating in the Title IV Federal Student Aid programs to issue a statement advising the campus community where the State law enforcement agency information concerning registered sex offenders/predators may be obtained. Sex offenders are required to be registered according to the State law in the State in which they reside and are also required to notify appropriate State officials of each postsecondary school at which the offender is employed or is a student. Any such offender is also required to give notice to the appropriate State authorities of any changes in enrollment or employment status at the postsecondary school.

In the State of California information concerning registered sex offenders and predators may be obtained from:

A STATEMENT OF CURRENT POLICIES CONCERNING THE SEXUAL ASSAULT PREVENTION PROGRAM AND THE PROCEDURES THAT ARE FOLLOWED

The new Campus Sexual Violence Elimination Act of 2013 (SaVE Act) requires schools to educate students, staff, and faculty on the prevention of rape, acquaintance rape, domestic violence, dating violence, sexual assault, and stalking. As part of Lancaster Beauty School’s compliance with the SaVE Act requirements for prevention and awareness programs that address the specified areas above, the institution has several relevant brochures available on display in the Administration Office. These brochures are from nationally recognized organizations and include awareness and preventive information. These brochures also include help hotlines related to these specific topics. Additionally, Lancaster Beauty School has a sexual assault prevention program that includes, but is not limited to the following:

• Use of a “Buddy System” when walking to parked cars at night
• Leaving the building in a group when classes are dismissed
• If an assault occurs, notify the Campus Director immediately
• Do not disturb the crime scene
• Notify local law enforcement officials
• Secure counseling for the victim, or offer a referral to appropriate entities that provide applicable counseling
• Change the academic schedule if victim requests
• Disciplinary actions include dismissal from the School

As part of the effort to provide an environment conducive to the school’s mission, the following services relating to sexual assault are provided at Lancaster Beauty School. The school provides educational programs (referenced above) to enhance awareness of sexual assault and the condition that fosters this offense on school campuses. The school undertakes efforts to safeguard the rights and interest of the survivor and pursues sanctions against the perpetrator(s) of sexual assault. The school official will, upon request, arrange transportation to a hospital for treatment and evidence collection; provide notification to an off-campus support and counseling service; provide assistance in contacting the appropriate law enforcement agency as applicable.
Lancaster Beauty School does not tolerate sexual assault against females or males, whether committed by a stranger or by an acquaintance. The school attempts to protect members of the school community, including visitors, from sexual assaults and offers any student, faculty or staff member who survives a sexual assault that occurs within the context of the school community the support necessary to enable them to continue to pursue their academic or career goals.

Definitions
For the purposes of this Policy, "sexual assault" is defined as any sexual act perpetrated upon a person without their consent, where the assailant uses physical force, threat, coercion or intimidation to overpower or control the victim; where the victim fears that they or another person will be injured or otherwise harmed if they do not submit; where the victim is prevented from resisting due to the influence of alcohol or other drugs; or where consent is otherwise not freely given. A sexual act includes, but is not limited to, actual or attempted intercourse, sexual touching, fondling, and groping. Sexual assault is classified as "rape" when vaginal, anal or oral intercourse takes place without consent. This includes penetration by a foreign object.

Sex crimes, including but not limited to sexual assaults and rapes, represent violations of criminal and civil law, and constitute serious breaches of student or employee conduct as well. All parties engaging in sexual activity must be based upon explicit consent among the parties. Verbal communications of non-consent, non-verbal acts of resistance or rejection, or mental impairment of the victim due to any cause including the victim's use of alcohol or drugs may constitute lack of consent. The use of alcohol or drugs will not be accepted as an explanation for the actions of any individual charged with a violation of this policy.

Any individual who has been sexually assaulted, including date or acquaintance rape, is strongly encouraged to report the incident to the local police (if off-campus), school officials described below, faculty or staff members as well as any civil authorities that an individual deems appropriate. Staff members are trained to assist and support victims in notifying appropriate law enforcement authorities regarding such crimes, if requested by the victim.

Suggestions to Reduce Risk:
- There is strength in numbers or group dates. Go to parties or clubs with a friend and be responsible for each other. Don't split up. Have a preplanned signal to let your friend know that you want to leave or need help.
- Control your alcohol; don't let it control you. Drink responsibly or not at all, especially on first dates.
- No substance abuse.
- Know your limits. It's never too late to say "no." Don't be embarrassed or ashamed to say "no" or ask someone to stop. It is your body.
- Verbalize your expectations. Be up front. Talk about sexual boundaries. A potentially embarrassing conversation could save you from a traumatic situation.
- Trust your gut instinct. Guard your personal space. If someone makes you uncomfortable, remove yourself from the situation.
- Believe in yourself. Know your rights. Women do not ask to be raped any more than a man with money in his pocket is asking to be robbed. You are in charge of your body and you can say "NO".
- End the night early if your date becomes drunk or abusive. No one deserves physical or emotional abuse.

Response to Reports of Sexual Assault
The school is committed to creating an environment that both promotes and assists in prompt reporting of sexual assault, and to providing compassionate support services for survivors. Students who are the victims of campus-related sexual assault are entitled to certain rights. These rights include, but are not limited to, the following:
- The survivor has the right to have their claims treated seriously and to be treated with dignity.
- The survivor has the right to be informed of their options with regard to notifying law enforcement authorities and to be assisted in notifying such authorities if they so choose. Because the school recognizes that a sexual assault is more than an assault on an individual's body, but is also an attack on the individual's dignity and sense of self, the school is committed to ensuring that the decision to take action against the accused rests solely with the survivor. There may be circumstances, however, depending upon the status of the alleged assailant and the seriousness of the offense, in which the school must take action to protect the survivor or the campus community. Federal law requires that the school provide the campus community with timely notice of certain reported crimes and/or acts the institution believes represent a threat to members of the campus community.
• The survivor has the right to be free from undue coercion of any kind from the school’s personnel. Such coercion includes but is not limited to pressuring the survivor to report, not to report, or to under report a sexual assault; suggesting that the survivor somehow contributed to or assumed the risk of being sexually assaulted; or suggesting that the survivor or the school would incur unwanted publicity or humiliation by reporting the sexual assault.

• Student survivors may choose to change academic arrangements, if such changes are reasonably available, without financial or academic penalty. For assistance in exploring options for a change in academic situations, contact should be made with the Director.

If you are Sexually Assaulted

• Get to a safe place.

• Call the police as soon as it is safe to do so by dialing 9-1-1.

Reporting the Assault

Students who believe that they are victims of a sexual assault should contact at least one of the following school officials.

- Director – Gail Miner
- School Owner – Gail Miner

School faculty, staff members or campus visitors who believe they are victims of a sexual assault should contact at least one of the following school officials:

- Director – Gail Miner
- School Owner – Gail Miner

Individuals who have been raped or sexually assaulted should try to preserve all physical evidence. They should not wash, use the toilet, or change clothing if doing so can be avoided. If oral contact took place, one should not smoke, eat, drink, or brush one's teeth. If one changes clothes, all clothing worn at the time of the attack should be placed in a paper bag, not plastic. Medical attention should be sought as soon as possible to assess any physical injuries, provide appropriate medical treatment, and collect important evidence in the event legal action is taken.

In cases of alleged sexual assault, the accuser and the accused are entitled to the same opportunities to have others present during campus disciplinary proceedings, and both the accuser and the accused shall be informed of the outcome of any campus disciplinary proceeding brought alleging a sexual assault. An accused perpetrator of sexual assault, if determined to be responsible of the accused sexual assault, may be dismissed from Lancaster Beauty School immediately.

The nature of sexual assault, particularly when perpetrated by an acquaintance, makes it difficult for many survivors to report their experience. For this reason, the local Shelters and Women’s Service Centers are primary places where individuals may seek assistance in complete confidentiality.

A STATEMENT OF PROGRAMS AVAILABLE TO STUDENTS AND EMPLOYEES RELATED TO CAMPUS SECURITY, PERSONAL SAFETY, AND CRIME PREVENTION

The Administration office has a directory of services that are available, within the community, to assist those who have suffered from a criminal act. These services are usually free and are provided by the community. During the orientation of students, faculty and staff, procedures are outlined to cover the reporting of all criminal acts.

EMERGENCY RESPONSE AND EVACUATION PROCEDURES – STATEMENT OF POLICY

Lancaster Beauty School has in place at each campus facility a campus response protocol. In an emergency or a dangerous situation, upon confirmation with the Campus Director, or designee, of the need for mass notification, the Campus Director, or designee, will without delay, taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of the responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency. Emergency or dangerous situations may include, but are not limited to, gas leaks, tornadoes, contagious viruses, etc.

EMERGENCY NOTIFICATIONS

In the event of an emergency or a dangerous situation that poses an immediate threat to the campus community, Lancaster Beauty School may utilize some or all of its mass notification capabilities to notify its campus community. These capabilities may include e-mail, voice mail and text messages to alert the campus community. In addition, members of the administration will post relevant updates and advisories on the appropriate school Website (www.lancasterbeautyschool.com) and bulletin boards or our email (lancasterbeautyschool@hotmail.com). The Campus Director, or designee, will simultaneously use the local means at her disposal to notify the campus students, staff and faculty of the situation, as well as disseminate pertinent information to relevant public entities.

This emergency notification requirement does not replace the timely warning requirement described earlier. They differ in that the timely warning applies only to Clery reportable crimes while the emergency notification requirement addresses a much wider range of threats (i.e., gas leaks, tornadoes, contagious viruses, etc.). However, an institution that follows its emergency notification procedures is not required to issue a timely warning based on the same circumstances but must provide adequate follow-up information to the community as needed.

Members of the community at large who are interested in receiving updates during an emergency can call the Lancaster Beauty School phone (661) 948-1672 or visit the website at www.lancasterbeautyschool.com or email (lancasterbeautyschool@hotmail.com).

Training, exercises and tests will be conducted annually by management on the campus level and by the individuals relevant to mass notification. Management will document each test conducted by all relevant entities.

Student Must Know – Emergency Information

The campus takes various precautionary measures to protect the students, staff, faculty, and campus visitors. Nevertheless, unavoidable emergencies may occur in extreme situations. Therefore, the campus has a Campus Response Team (CRT) that implements and oversees the campus response to a crisis situation. The CRT receives training in dealing with crisis situations and will primarily direct the immediate response to a crisis situation until the arrival of law enforcement and emergency response personnel.

In order to make this program effective, students are to familiarize themselves with the following emergency procedures.

Nothing herein precludes any student, staff or faculty from contacting the appropriate authorities directly in the event they feel in threat of physical harm or imminent danger.

Department of Homeland Security:

“Active shooter awareness- options for consideration”
**Student Emergency Responses**

There is potential for students to be involved in a variety of emergency situations for which appropriate actions must be taken. These possible situations include incidences that may require emergency evacuation, emergency lockdown, external lockdown, or to shelter in place.

**Emergency Evacuation**

Evacuation is the movement of campus occupants from a dangerous or potentially dangerous location to a safe location. There are two types of evacuation: fire evacuation and non-fire evacuation.

**Fire evacuation:**
- Evacuation is mandatory when a fire alarm is activated.
- Follow authorized personnel’s (e.g., faculty, staff, or fire department personnel, etc.) instructions if given.
- Do not use the elevators.
- Assist people with disabilities, if possible.
- Ensure all doors and windows are closed as a room and building are evacuated. (Do not lock doors.)
- Do not attempt to reenter the facility unless and until directed to do so by authorized personnel.
- Evacuate to a safe distance and location from the building affected, away from fire hydrants, fire lanes, and not under power lines.

**Non-fire evacuation**
- A non-fire evacuation will be initiated by campus CRT.
- Follow CRT instructions if given.
- Do not use the elevators.
- Assist people with disabilities if possible.
- Do not attempt to reenter the facility unless directed to do so.

**Emergency Lockdown**

Emergency Lockdown is used to dramatically and rapidly enhance the level of security of the campus. By locking all exterior, interior and classroom doors, staff can make it more difficult for dangerous person(s) in the vicinity of the campus and in the campus to gain access to staff and students;

- Lock or barricade doors of classroom and internal student areas of congregation.
- Close blinds, turn off lights.
- Remain quiet and out of sight.
- If gunshots are heard, lie on the floor and try to use available resources for additional cover and concealment.
- If you are outside when a lockdown is declared, seek shelter away from danger.
- If a fire alarm is activated during a lockdown, proceed with extreme caution.
- Do not open the door for people claiming to be public safety personnel unless you have an opportunity to view photo identification or are instructed to do so by a staff member whom you recognize.

**External Lockdown**

External lockdown creates a physical layer of security between the internal and external dimensions of the campus. In addition to locked entrances, this may also include a supervised entry and exit to campus facilities, and/or barricade to campus property (e.g., barricades or chains restricting access to campus parking and grounds). This lockdown allows staff and students to continue activities while maintaining access control to the campus and remain in an elevated state of security;

- Remain in classroom.
- Follow faculty and staff instructions.
- Remain attentive to any change in status.

**Shelter in place**

Sheltering in place procedures are traditionally utilized when:

1. A tornado has been spotted.
2. There has been a chemical or biological incident outside of, but in proximity to a campus and available information indicates that there is no adequate time to evacuate building occupants to another safe location before the dangerous contaminants reach the facility.

- Follow staff and faculty instructions.
- Assist people with disabilities if possible.
- If you are outside when a shelter in place is declared, immediately seek an interior room or hallway with no windows.
- Close windows and doors – do not lock doors.
- Remain in shelter until an all clear is given.
Staff and Faculty Must Know – Emergency Information

The campus takes various precautionary measures to protect the students, staff, faculty, and campus visitors. Nevertheless, unavoidable emergencies may occur in extreme situations. Therefore, the campus has a Campus Response Team (CRT) that implements and oversees the campus response to a crisis situation. The CRT receives training in dealing with crisis situations and will primarily direct the immediate response to a crisis situation until the arrival of law enforcement and emergency response personnel.

In order to make this program effective, all staff and faculty are expected to familiarize themselves with the following emergency procedures.

Nothing herein precludes any student, staff or faculty from contacting the appropriate authorities directly in the event they feel in threat of physical harm or imminent danger.

Staff and Faculty Emergency Responses

*** In case of emergency: dial 911 ***

There are a number of different potential situations that may occur that have capability to impact students or staff and faculty. The following possible scenarios are described below with steps to be taken.

- Emergency evacuation for a fire incident
- Emergency evacuation for bomb threat or other non-fire situation
- Emergency lockdown
- External lockdown
- Shelter in place

Emergency Evacuation for a Fire Incident

Definition
A fire emergency evacuation is initiated when a fire incident occurs. Depending upon the campus size, it may require an evacuation of a single particular building affected by the fire incident, rather than the entire campus.

The objective: all building occupants are safely evacuated to a safe distance and location from the building affected, away from fire hydrants, fire lanes, and not under power lines.

Staff Response
Staff/faculty responsible for the affected areas should conduct a sweep of the building(s) to ensure all students are aware of and appropriately responding to the fire alarm and safely evacuated.

Fire evacuation procedures:

- Evacuation is mandatory when a fire alarm is activated.
- Designated staff or faculty check the affected building(s) to ensure all personnel are appropriately evacuating.
- Do not use the elevators.
- Assist people with disabilities if possible.
- Ensure all doors and windows are closed as a room and building are evacuated.
- Do not attempt to reenter the facility unless and until directed to do so by authorized personnel.
- Evacuated persons are directed to a safe distance and location from the building affected, away from fire hydrants, fire lanes, and not under power lines.
Emergency Evacuation for Bomb Threat or Other Non-Fire Situation

Definition
Non-fire emergency evacuation is used for any emergency evacuation not related to a fire incident. It is important to remember that evacuation distances significantly expand, up to hundreds of yards, for suspicious object evacuations. Nevertheless, not all bomb threats will necessarily result in evacuation, depending upon the individual event circumstances.

The objective: move all campus occupants to a remote, predefined and controlled location.

Staff Response
Team members who are designated to sweep evacuation routes and sites should locate a staff member to take responsibility for students under their supervision, and should then sweep the evacuation route and evacuation site for secondary hazards. They should immediately report their findings to the lead administrator.

Note: The lead administrator will typically direct that this step be completed before making the general announcement for evacuation of the building.

Other staff:
1. Gather all students and visitors in your area of responsibility and evacuate using the route and site designated by the lead administrator or designee.
2. Ensure that all special needs persons are provided assistance by their designees as per the site evacuation plan.
3. Remain alert to your surroundings. Be particularly alert to any people or conditions that might pose a danger to evacuees. If you encounter a significant hazard, quickly evaluate the situation; adjust your evacuation route and attempt to notify the lead administrator or the appropriate public safety officials.
4. Once you reach the designated evacuation site, search the site for suspicious objects and adjust accordingly.
5. On evacuation site - develop a written list of all evacuees and provide the list to the lead administrator or his/her designee. Also indicate the presence or lack of any suspicious objects in your room/work area.
6. Supervise students under your care.
7. Do not attempt to reenter the facility unless the lead administrator or his/her designee directs you to do so.

Emergency Lockdown

Definition
Emergency Lockdown is used to dramatically and rapidly enhance the level of security in the facility. By locking all exterior, interior and class doors, staff can make it more difficult for dangerous person(s) in the vicinity or in the facility to gain access to staff and students.

Note – locking doors should not eliminate immediate egress possibilities from the facility.

The objective: create as many physical layers of separation between you and the potential aggression.

Staff Response:
1. Make sure entrance points to the building near your location are locked immediately.
2. If you are located in an area with a door that can be locked, gather all students in the vicinity into the room and lock the door.
3. Improvise additional door blocking if possible.
4. Close blinds and cover additional windows, e.g., with a shirt, up-turned table, paper, etc.
5. Turn off lights in the room.
6. If possible, report your status to the lead administrator or designee by telephone or intercom.
7. Do not open the door for people claiming to be public safety personnel unless you have an opportunity to view photo identification or are instructed to do so by a staff member whom you recognize.

Department of Homeland Security:

- “Active shooter awareness - options for consideration”
External Lockdown

Definition
External lockdown creates a physical layer of security between the internal and external dimensions of the campus. By locking all exterior doors and supervising these doors, staff can make it more difficult for a possible external intruder or a potentially dangerous person in the vicinity of the facility to gain access to staff and students. In addition to locked entrances and supervised entry and exit to campus facilities, this step may include barricades to campus property (e.g., barricades or chains restricting access to campus parking lots and grounds). This lockdown allows staff and students to continue with productive activities while maintaining access control to the facility.

Objective: create a physical layer of security between the external environment and internal campus operation while elevating the overall level of security.

Staff Response:
1. Make sure the designated entrance points to the building near your location are locked immediately.
2. If you are in an external classroom to the main building move students to alternative internal classrooms.
3. If possible, report your status to the lead administrator or designee by telephone or intercom.
4. Continue with normal activities as much as the situation allows.
5. If students or staff have a need to move about in the building, obtain permission first from the lead administrator or designee.
6. Be prepared to rapidly implement an emergency evacuation or emergency lockdown – if directed to do so or if circumstances indicate you should do so.

Shelter in Place

Definition
Sheltering in place procedures are traditionally utilized when:
1. A tornado has been spotted.
2. There has been a chemical or biological incident outside of, but in proximity to, a facility and available information indicates that there is no adequate time to evacuate building occupants to another safe location before the dangerous contaminants reach the facility.

Objective: seek immediate shelter away from doors and windows and remain there during an emergency

Staff Response:
1. All staff that is outdoors should quickly gather all students and adults in the area and instruct them to go inside the facility immediately. Once inside, if possible instruct everyone to move to an interior area without windows and doors.
2. Close all windows and doors.
3. In chemical spills / biological incident - if available, use tape to cover all windows and doors with sheets of plastic to help reduce airflow into the area. Wet towels can be used to reduce airflow under doors. Close all outside air vents. Turn off all heating or ventilation systems. Use damp towels or cloths to cover any openings in walls or doors. Tape can also be used to cover any cracks, crevices, electrical outlets, cable television connections or other openings that might allow air to flow into the shelter area.
4. Listen to local radio or television news for instructions from emergency management and public safety officials.
5. Review emergency evacuation protocols

Any person witnessing some form of criminal action or other emergency should report it to the Supervisor on duty at Lancaster Beauty School. The Supervisor on duty will investigate the incident and if needed it will be reported to the Los Angeles County Sheriff. The Supervisor will prepare a memorandum regarding the incident.

All facilities are locked during non-business hours. During non-business hours only authorized personnel are permitted on the premises. The receptionist, school manager or supervisor, instructor and/or the receptionist will lock up. There will always be two employees closing the facility. Pro Systems Alarm Company provides security in that they monitor our alarm system and cameras.

Lancaster Beauty School does not employ private security personnel. Therefore, all incidents of a criminal or emergency nature are reported to the Los Angeles County Sheriff Department.

During orientation and theory as well as staff meeting, students and employees are informed about the importance of secure premises. Students and employees are encouraged to group together when walking to their cars and the bus. They are also reminded that they can assist in crime prevention by ensuring that all doors are locked; that they do not walk alone to their cars or to the bus. Also that they report any suspicious situation to the school’s Supervisor. We also schedule the Sheriff to come into theory and give advice on crime prevention.
If a student or employee has been the victim of any sexual offense, including sexual harassment, on campus or during a school related activity, and wishes to report the offense, it is the school’s policy that the offense be reported at once to the school director or administrator in charge will also contact the Administration staff immediately so that an investigation can begin as soon as possible.

Lancaster Beauty College does not recognize any off-campus student organization.
Our Company Policy for our employees requires them to sign a drug policy prior to hiring. All students also sign a drug policy prior to enrollment. The sale or uses of alcohol and illegal drugs are not permitted in Lancaster Beauty School or its adjacent parking facilities. Anyone observed using illegal drugs and any underage alcoholic consumer will be referred to local police authorities. This school has in place a Drug and Alcohol Abuses Prevention Program required under Public Law 101-226.
In compliance with the Public Law 1025-26, the following information on campus crimes is reported for your review. The following criminal offenses were reported to campus security personnel or local police authorities as having occurred on campus:

A DESCRIPTION OF DRUG AND ALCOHOL ABUSE PREVENTION PROGRAMS

Lancaster Beauty School publishes and distributes annually to all current students and employees a copy of the Drug and Alcohol Abuse Prevention Program. Below are the details related to this topic.

Drug and Alcohol Abuse Prevention

Drug abuse affects all aspects of American life. It threatens the workplace, our homes, our schools and our community. The U.S. Department of Education requires institutions of higher education to implement a drug prevention and awareness program for their students and employees through the Safe and Drug-Free Schools and Communities Act. All students are expected to conduct themselves as mature adults and as members of an academic community. The consumption of alcohol or drugs while attending class is prohibited and may be subject to disciplinary action.

Standards of Conduct

The School community must adhere to a code of conduct that recognizes that the unlawful manufacture, sale, delivery, unauthorized possession or use of any illicit drug is prohibited on property owned or otherwise controlled by Lancaster Beauty School. If an individual associated with the School is apprehended for violating any drug-or alcohol-related law when on School property, or participating in a School activity, the School will fully cooperate with all law enforcement agencies. Underage possession or consumption of alcoholic beverages is not permitted on property owned or controlled by the School and the state laws will be enforced. Intentionally or knowingly selling, or intentionally or knowingly furnishing alcoholic beverages to persons under the age of 21, or to persons obviously inebriated, is not permitted on property owned or controlled by the School.

Health Risks Associated with the use of Illicit Drugs and the Abuse of Alcohol

Moderate to high doses of alcohol cause marked impairments in higher mental functions and the loss of memory. High doses of alcohol can cause respiratory depression and death. Long-term consumption, particularly when combined with poor nutrition, can also lead to dependence and permanent damage to vital organs such as the brain and the liver. Physical effects of drugs include increased heart rate, bloodshot eyes, dry mouth and throat, and increased appetite. The use of drugs may impair or reduce short-term memory and comprehension, alter sense of time, and reduce the ability to perform tasks requiring concentration and coordination. Motivation and cognition may also be altered making the acquisition of new information difficult. As one can see from the above, there are major health risks associated with the use of illicit drugs and the abuse of alcohol.

Federal Financial Aid Penalties for Drug Violations

Federal guidelines focus strongly on illicit drug use and distribution. The Higher Education Opportunity Act states students convicted of an illicit drug violation can be denied federal financial aid for a specific period, in addition to other legal penalties. The Free Application for Federal Student Aid (FAFSA) asks students if they have been convicted of a drug-related offense: “Have you ever been convicted of possessing or selling illegal drugs?” If you answer “yes,” the School will send a worksheet in the mail to determine if your conviction affects your eligibility for aid. Failure to answer the question automatically disqualifies students from receiving federal financial aid. Answering this question falsely could result in fines up to $20,000, imprisonment or both.

Penalties for Drug Convictions

If the student was convicted of both possessing and selling drugs, and the periods of ineligibility are different, the student will be ineligible for the longer period.

Possession of Illegal Drugs

- For a first offense, a student loses eligibility for federal financial aid for one year from the date of conviction.
- For a second offense, a student loses eligibility for federal financial aid for two years from the date of conviction.
- For a third offense and subsequent offenses, a student has indefinite ineligibility for federal financial aid from the date of conviction.

Sale of Illegal Drugs

- For a first offense, a student loses eligibility for federal financial aid for two years from the date of conviction.
- For a second offense and subsequent offenses, a student has indefinite ineligibility from the date of conviction.
Some other potential federal penalties and sanctions applicable to drug-related offenses include:

21 U.S.C. 844
1st conviction: Up to 1 year imprisonment and fined at least $1,000, or both.

After 1 prior drug conviction: At least 15 days in prison, not to exceed 2 years and fined at least $2,500, or both.

After 2 or more prior drug convictions: At least 90 days in prison, not to exceed 3 years and fined at least $5, or both.

Provisions relating to increased penalties in cases of certain serious crack possession offenses, making offenders subject to fines under Title 18 or imprisonment to terms not less than 5 years and no more than 20 years, or both.

Possession of flunitrazepam shall be imprisoned for not more than 3 years, shall be fined as otherwise provided in this section, or both after mixture or substance exceeds 1 gram.

21 U. S. C. 844a
Civil fine up to $10,000

21 U. S. C. 847 Additional Penalties

21 U. S. C. 862
a. Drug Traffickers - Denial of Federal benefits, such as student loans, grants, contracts, and professional and commercial licenses, up to 5 years for the first offense, up to 10 years for second and permanently ineligible for subsequent offenses.
b. Drug Possessors – 1st offense is up to 1 year and 2nd and subsequent offenses are up to 5 years.
c. Suspension of period of ineligibility (A) (B) (C)

21 U. S. C. 862a
Denial of assistance and benefits for certain drug related convictions, i.e., state program funded under the Social Security Act or food stamp program or state program under the Food Stamp Act.

More information about federal penalties and sanctions for unlawful possession, use, sale, and/or distribution of controlled substances is located at http://www.deadiversion.usdoj.gov/21cfr/21usc/index.html

How to Regain Federal Student Aid Eligibility

1. A student can regain eligibility for federal student aid funds the day after the period of ineligibility ends or upon having a conviction reversed, set aside, or removed from the student’s record so that fewer than two convictions for sale of illegal drugs or three convictions for possession remain on the record. In such cases, the nature and dates of the remaining convictions will determine when the student regains eligibility.

2. A student may also regain eligibility upon successful completion of a qualified drug rehabilitation program that must:
   - Be qualified to receive payment directly or indirectly from a federally or state-licensed insurance company, or
   - Be administered or recognized by a federally or state-licensed hospital, health clinic, or medical doctor.

3. A student may further regain eligibility upon successful completion of two unannounced drug tests which are part of an approved rehab program (the student does not need to complete the rest of the program).

The student is responsible to certify that a rehabilitation program was successfully completed. As with the conviction question on the FAFSA, the School is not required to confirm the reported information unless conflicting information is determined.

Convictions during Enrollment
Federal regulations require enrolled students convicted of a drug offense after receiving federal financial aid to notify Lancaster Beauty School immediately. The student will then become ineligible for further federal financial aid and must repay federal financial aid received after the conviction.

Drug and Alcohol Counseling
Available to all students is the 211 Helpline Center. Students can call 211 to receive referrals to local resources and support for individuals who need drug and alcohol counseling.

Institutional Sanctions for Alcohol and Drug Violations
Any member of the School community found consuming or selling
Schools are required to conduct a biennial review of their drug and alcohol abuse prevention program. This review must include:

- Program Biennial Review of the Drug and Alcohol Abuse Prevention Program as a result of drug and alcohol-related violations and fatalities that occur on the institution's campus or as part of the institution's activities and the number and type of sanctions imposed by the institution as a result of drug and alcohol-related violations and fatalities that occur on the institution's campus or as part of the institution's activities.

The effectiveness of Lancaster Beauty School's prevention program is, in part, also measured by tracking the number of drug and alcohol-related incidents recorded by campus officials.

Additionally, to assist in the determination of the effectiveness of Lancaster Beauty School’s prevention program, the school considers, if and when the school is made aware, the number of students or employees attending self-help or other counseling groups related to alcohol or drug abuse. The school also conducts a survey to ascertain student, faculty, and employee attitudes and perceptions about whether there is a drug and alcohol problem on campus.

With the results gathered from the various points of information described above, the school writes its report giving the results of the biennial review and its determination of whether the program is being effective or must be modified. The school keeps the biennial review on file in case of a possible audit. Schools are not required to send their review to the U.S. Department of Education unless requested to do so. Lancaster Beauty School conducts its biennial review every other year on the odd year. The report from the review and documents related to it are retained for three years after the fiscal year in which the report was created.

**Biennial Review of the Drug and Alcohol Abuse Prevention Program**

Schools are required to conduct a biennial review of their drug and alcohol abuse prevention program. The term “campus” is defined in the same manner as it is defined for campus safety reporting purposes. That is, the term campus encompasses any building or property owned or controlled by the school within a reasonably contiguous geographic area used in direct support of the school's educational purposes or used by students and supporting institutional purposes.

The effectiveness of Lancaster Beauty School’s prevention program is, in part, also measured by tracking the number of drug and alcohol-related incidents recorded by campus officials.

**Anti-Harassment and Discrimination Policy (for students and employees)**

Lancaster Beauty School is committed to providing a work and school environment free of unlawful harassment or discrimination. In furtherance of this commitment, all students and employees are required to take our mandatory Sexual Harassment and Prevention Training which will take place four time per calendar year. Lancaster Beauty Schools policy prohibits harassment or discrimination based on race, religion, creed, color, national origin, ancestry, sex (including pregnancy, childbirth or related medical conditions), military or veteran status, physical or mental disability, medical condition, marital status, age, sexual orientation, gender, gender identity or expression, genetic information or any other basis protected by the federal, state or local law. Additionally, in accordance with Title IX of the Education Amendments of 1972, the School prohibits discrimination based on sex, which includes sexual harassment and sexual violence, and the School has jurisdiction over Title IX complaints.

The School’s anti-harassment policy applies to all persons involved in the operation of the School, and prohibits unlawful harassment by any employee of the School, as well as students, customers, vendors, or anyone who does business with the School. It further extends to prohibit unlawful harassment by or against students. Any employee, student or contract worker who violates this policy will be subject to disciplinary action. To the extent a customer, vendor or other person with whom the School does business engages in unlawful harassment or discrimination, the School will take appropriate corrective action.

As part of the School’s commitment to providing a harassment-free working and learning environment, this policy shall be disseminated to the School community through publications, the School website, new employee orientations, student orientations, and other appropriate channels of communication. The School provides training to key staff members to enable the School to handle any allegations of sexual harassment or sexual violence promptly and effectively. The School will respond quickly to all reports, and will take appropriate action to prevent, to correct, and if necessary, to discipline behavior that violates this policy.

**Definitions**

Sexual Harassment is defined as unwelcome conduct of a sexual nature. It includes unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature. Sexual harassment is conduct that explicitly or implicitly affects a person’s employment or education or interferes with a person’s work or educational performance or creates an environment such that a reasonable person would find the conduct intimidating, hostile or offensive.

Sexual Violence is defined as physical sexual acts engaged in without the consent of the other person or when the other person is unable to consent to the activity. Sexual violence includes sexual assault, rape, battery, and sexual coercion; domestic violence; dating violence; and stalking.

Domestic Violence is defined as abuse committed against and adult or a minor who is a spouse or former spouse, cohabitant or former cohabitant, or someone with whom the abuser has a child, has an existing dating or engagement relationship, or has had a former dating or engagement relationship.

Dating Violence is defined as abuse committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim.
Sexual Assault occurs when a physical sexual activity is engaged in without the consent of the other person or when the other person is unable to consent to the activity. The activity or conduct may include physical force, violence, threat, or intimidation, ignoring the objections of the other person, causing the other person’s intoxication or incapacitation through the use of drugs or alcohol, and taking advantage of the other person’s incapacitation (including voluntary intoxication).

Stalking is behavior in which a person repeatedly engages in conduct directed at a specific person that places that person in reasonable fear of his or her safety or the safety of others.

Consent is informed, voluntary and revocable. Consent is an affirmative, unambiguous, and conscious decision by each participant to engage in mutually agreed-upon sexual activity. It must be given without coercion, force, threats or intimidation. Consent must be ongoing throughout a sexual encounter and can be revoked at any time. Once consent it withdrawn, the sexual activity must stop immediately.

Prohibited Conduct
This policy strictly prohibits sexual or other unlawful harassment or discrimination as well as sexual violence, as defined above. Sexual or other unlawful harassment or discrimination includes any verbal, physical or visual conduct based on sex, race, age, national origin, disability or any other legally protected basis if:

i. submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s education or employment;

ii. submission to or rejection of such conduct by an individual is used as a basis for decisions concerning that individual’s education or employment; or

iii. it creates a hostile or offensive work environment, which means the alleged conduct is sufficiently serious to limit or deny a student’s or ability to participate or benefit from the student’s education program.

Unlawful harassment or discrimination may include racial epithets, slurs and derogatory remarks, stereotypes, jokes, posters or cartoons based on race, national origin, age, disability, marital status or other legally protected categories.

Sexual harassment is conduct based on sex, whether directed towards a person of the opposite or same sex, and may include explicit sexual propositions, sexual innuendo, suggestive comments, sexually oriented “kidding” or “teasing”, practical jokes, jokes about or displays of obscene printed or visual material, questions about sexual fantasies, preferences or history, and physical contact such as patting, pinching, or intentionally brushing against another person’s body. Gender-based harassment, including acts of verbal, nonverbal or physical aggression, intimidation, or hostility based on sex or sex-stereotyping are strictly prohibited, even if those acts do not involve conduct of a sexual nature.

Complaint/Grievance Procedure
If you believe that you have experienced or witnessed harassment or sexual violence, notify your instructor, supervisor, Human Resources, or the Title IX Coordinator as soon as possible after the incident. Do not allow an inappropriate situation to continue by not reporting it, regardless of who is creating the situation. No employee, contract worker, student, vendor or other person who does business with the School is exempt from the prohibitions in this policy. Supervisors will refer all harassment complaints to the Title IX Coordinator for student-related complaints and to the Human Resources Department if the complaint involves an employee. In order to facilitate the investigation, your complaint should include details of the incident or incidents, names of the individuals involved and names of any witnesses.

All complaints involving a student will be referred to the campus’s Title IX Coordinator. The Title IX Coordinator is listed below and has the responsibility of overseeing all Title IX complaints and identifying and addressing any patterns or systemic problems that arise during the review of such complaints.

Title IX Coordinator:
Gail Miner, President/Director – Title IX Coordinator
Office Location: 44636 10th Street, Lancaster, CA 93534
Phone 661-948-1672 or 661-948-7204
Email: lancasterbeautyschool@hotmail.com

The School ensures that its employee(s) designated to serve as Title IX Coordinator(s) have adequate training on what constitutes sexual harassment, including sexual violence, and that they understand how the School’s grievance procedures operate. Because complaints can also be filed with an employee’s supervisor or Human Resources, these employees also receive training on the School’s grievance procedures and any other procedures used for investigating reports of sexual harassment.

Investigation of Complaints
In response to all complaints, the School promises prompt and equitable resolution through a reliable and impartial investigation of complaints, including the opportunity for both parties to present witnesses or other evidence. The time necessary to conduct an investigation will vary based on complexity but will generally be completed within sixty (60) days of receipt of the complaint. The School shall maintain confidentiality for all parties to the extent possible, but absolute confidentiality cannot be guaranteed. In cases where a student does not give consent for an investigation, the School will weigh the student’s request for confidentiality against the impact on School safety to determine whether an investigation must proceed. Complainants should be aware that in a formal investigation due process generally requires that the identity of the charging party and the substance of the complaint be revealed to the person charged with the alleged harassment.

The preponderance of the evidence standard will apply to investigations, meaning the School will evaluate whether it is more likely than not that the alleged conduct occurred. Both parties will receive written notice of the outcome of the complaint.

During the investigation, the School will provide interim measures, as necessary, to protect the safety and wellbeing of students and/or employees involved.

If the School determines that unlawful harassment or sexual violence has occurred, immediate appropriate corrective action will be taken in accordance with the circumstances involved, and the School will take steps to prevent the recurrence of any harassment or discrimination. Any employee determined by the School to be responsible for unlawful harassment or discrimination will be subject to appropriate disciplinary action, up to and including termination. Remedies for
Return to Title IV Policy (R2T4)

The Federal Return of Title IV policy formula (R2T4) dictates the amount of Federal Title IV aid that must be returned to the federal government or the lending institution by the school and/or the student. The federal formula is applicable to an eligible student receiving federal aid when that student withdraws on or before the 60% point in time in the payment period. If a student does not begin training, the R2T4 formula does not apply.

For official withdrawals, a student’s withdrawal date is the date the school received notice from the student that he/she is withdrawing.

For unofficial withdrawals, a student’s withdrawal date is 21 calendar days after his/her last day of physical attendance.

The school’s determination that a student is no longer in school for unofficial withdrawals is determined after 21 days of non-attendance.

The federal formula requires a Return of Title IV calculation if the student received or could have received (based on eligibility criteria) federal financial assistance in the form of Pell grants, Stafford loans or Plus loans and withdraws on or before completing 60% of the payment period. The percentage of Title IV aid earned is equal to the percentage of the payment period that was completed as of the withdrawal date if this occurs on or before the 60% point of time. The percentage that has not been earned is calculated by subtracting the percentage of Title IV aid earned from 100%.

The percentage of the payment period completed is calculated by the hours completed in the payment period as of the withdrawal date divided by the scheduled hours in the payment period.

The amount to be returned is calculated by subtracting the amount of Title IV assistance earned from the amount of Title IV aid that was or could have been disbursed as of the withdrawal date.

If a student receives less Title IV funds than the amount earned, the school will offer the student a disbursement of the earned aid that was not received at the time of their withdrawal, which is a post withdrawal disbursement. Post withdrawal disbursements will be made from Pell grant funds first if eligible. If there are current educational costs still due the school at the time of withdrawal, a Pell grant post withdrawal disbursement will be credited to the student’s account. Any Pell grant funds in excess of current educational costs will be offered to the student. Any federal loan program funds due in a post withdrawal disbursement must be offered to the student, and the school must receive the student’s permission before crediting his/her account.

The following Title IV refund distribution is used for all FA students due a refund:

| 1. | Unsubsidized Federal Stafford Loan |
| 2. | Subsidized Federal Stafford Loan |
| 3. | Unsubsidized Direct Stafford Loan |
| 4. | Subsidized Direct Stafford Loan |
| 5. | Federal Perkins |
| 6. | Federal PLUS Loan |
| 7. | Direct PLUS Loan |
| 8. | Federal Pell Grant |
| 9. | FSEOG |
Refunds will be made to the federal programs within 30 days of the student’s last day of attendance.

The statute requires that a student is responsible for all unearned Title IV program assistance that the school is not required to return. This is determined by subtracting the amount returned by the school from the total amount of unearned Title IV funds to be returned.

IMPORTANT NOTICE TO STUDENTS RECEIVING FEDERAL STUDENT AID

Effective October 7, 2000

The United States Department (USDE) has published new federal regulations and guidelines that would determine the individual student’s eligibility for funds from the Federal Pell grant, Federal Supplemental Educational Opportunity grant, and Federal Direct Loan Program receiving at this institution. If the student completes the course of study, or if the student graduates from the course as scheduled, the new federal regulation will have no effect on the student’s eligibility for those funds.

In setting the new guidelines, the USDE has emphasized the importance of attending school in order to be eligible for aid. The more absences incurred by the student; the more possibilities that the federal aid eligibility may be lost. Losing federal funds will result in the student’s liability for unpaid tuition. Balances owed to the school due to loss of federal funds will be collectable by the institution with the assistance of a collection agency whenever necessary.

Therefore, be advised that as of Oct. 7, 2000, if you withdraw from school, the chances assessable for the payment period in course, and the financial aid received within that same payment period, will be taken into consideration when calculating the percentage of aid earned based on the percentage of the payment period attended by the student.

Funds return to USDE as unearned federal aid will decrease the tuition payments originally made to the school and will increase the tuition balance owed by the student.

The key solution so that no one is affected by these regulatory changes is to attend school as scheduled and complete the course of study.

In addition to the FAFSA, the institution requires a series of forms as they apply to the individual student aid program and to the student’s individual family circumstances. If you wish to apply for financial aid or you have questions and need sections of the handbook clarified, contact the financial aid office at the school. Additional information regarding student aid programs may be found in “The Student Guide” and you can apply online at www.fafsa.ed.gov.
The Federal Privacy Act of 1974 requires that students be notified that the disclosure of their Social Security numbers is mandatory. The Social Security number is used to verify students’ identities, to process the awarding of funds, the collection of funds, and the tracing of individuals who have borrowed funds from federal, state or private programs.

FINANCIAL AID MECHANISM

Financial aid is a mechanism that reduces out-of-pocket costs that the student and/or parents must pay to obtain a specific postsecondary education. Presented differently, financial aid is money available to help qualifying students meet the cost of college attendance. Financial aid includes grants and loans. Grant monies do not have to be paid back, whereas loans require a debt that must be paid back in accordance to the individual loan program terms. Most loans can be arranged to require payment after a grace period of several months after graduation, or upon the student’s termination from the program.

Financial aid applications for this institution consist of the following:

- Free Application for Federal Student Aid (FAFSA). To correctly fill out the application, you will need certain records. The most important record is your base year (usually the prior year) tax return. You will need your tax return, (your parents’ tax return if you are dependent), your spouse’s tax return (if you are married). You may also need copies of your W-2’s, Social Security benefit statements, and other agency records. Documentation to substantiate the data entered on the form may be required by the financial aid office. In addition to the FAFSA, the institution requires a series of forms as they apply to the individual student aid program and to the student’s individual family circumstances.
- Since your application is processed electronically, the school will receive an Institutional Student Information Report (ISIR) within a short time after the Central Processing Center receives your application. The information given on this report will be used to determine your eligibility for Federal Student Aid.
- In addition to completing a FAFSA, you may be required to fill out additional forms during your initial interview with the financial aid officer. These forms will gather personal data and will remain in your academic file.

STUDENT ELIGIBILITY REQUIREMENTS

To be eligible for financial aid, a student must:

- Have a valid Social Security card
- Be admitted as a regular student enrolled or accepted for enrollment in an eligible program for the purpose of obtaining a diploma;
- Be enrolled or accepted for enrollment in an eligible program on at least a half time basis;
- Be a citizen or an eligible non-citizen;
- Not be in default and not owe an overpayment on a Title IV loan or grant;
- Not have borrowed in excess of loan limits;
- Have financial need;
- Have verification completed if required;
- Maintain satisfactory progress (as defined by the school’s policy) in the course of study;
- Be registered for selective service (if a male born on or after January 1, 1960);
- Not be enrolled in secondary school;
- Have signed a statement of educational purpose;
- Have signed a statement of updated information;
- Have a high school diploma (or its equivalent) or a GED
- Agree to use any federal student aid received solely for educational purposes.

Students receiving aid must:

- Maintain satisfactory progress as described in the institutional policy.
- Apply for financial aid as scheduled each academic year and meet all deadlines.
- Comply with all forms and documents required by the FAO to complete their file.
- If selected for verification, fully complete that process.
- Use the funds ONLY for educational expenses.
- Inform the FAO of changes in your personal information.
- MUST plan and manage their student loan debt. Loans going into default would seriously affect students’ credit rating and ability to receive additional aid or in fact any commercial credit.

APPLICATION FOR AID, PROCEDURES, AND FORMS

Financial aid applications for this institution consist of the following:

- Federal Direct Sub and Unsub / SLS PLUS application
- Loan Application
- Forms and assistance in completing the loan process are available at the school.

Each loan program has different applications, promissory notes, loan fees, disbursements, interest rates, grace periods, deferments, repayment plans, delinquency rules, and default procedures. However, for each loan program you apply for, you must receive entrance counseling and take an entrance interview at the school to ascertain your knowledge of the responsibilities in accepting a loan before any disbursements can be made. Before you graduate or withdraw, and receive your graduation documents or transcripts, you MUST receive exit counseling and attend and complete an exit interview. Please review the Funding Your Education Beyond High School and Your Federal Student Loan: Learn the Basics and Manage your Debt at:

FEDERAL DIRECT SUBSIDIZED LOAN
Funds received from either of the loan programs are subject to repayment by the student. Before a loan document is submitted to the USDE, students must be fully aware of the financial responsibilities under this loan program, the rights that the student has under the individual loan program conditions, and the consequences of a failure to meet the repayment obligations.

FEDERAL DIRECT SUBsidized loan
Federal Direct Subsidized loans are made directly to students from the U.S. Department of Education. Subsidized loans are need-based. Students may borrow up to the amount of the student’s cost of attendance less other expected financial assistance (not to exceed annual loan limits). The federal government pays interest subsidies while the student is enrolled or during periods of deferment.

FEDERAL DIRECT UNsubsidized loan
These loans expand the ability of the U.S. Department of Education to make “Unsubsidized” Federal Stafford Loans to students. These loans carry many of the same terms and conditions associated with subsidized Federal Stafford loans with the following three exceptions:
1) Unsubsidized loans are not need based. Students may borrow up to the amount of the student’s cost of attendance less other expected financial assistance (not to exceed annual loan limits).
2) The federal government does not pay interest subsidies to the lender while the student is enrolled or during periods of deferment. Interest must be paid or capitalized, i.e., added to the principal.
3) Student must pay a combined organization/guarantee fee of 6.5% rebated directly to U.S. Department of Education.

Students may receive both subsidized and unsubsidized loans, provided that the combined amount borrowed does not exceed applicable loan limits, and that the student’s eligibility for a subsidized Federal Stafford loan can be determined prior to determining eligibility for the unsubsidized loan. The law also stipulates that borrowers may apply for both subsidized and unsubsidized loans using a single application and that such borrower must be given a single repayment schedule.

**Deadlines:** Applications need to be submitted at least 30 days before the end of the loan period for which the loan has been requested.

**Disbursement:** Lenders issue checks payable to the school and credited to the student’s tuition account. It is the student’s responsibility to submit all required forms and documentation to the financial aid office before disbursement.

**For additional information, read the pamphlet "Direct Loan Entrance Interview"**

FEDERAL PELL GRANT PROGRAM
Funds received under this program are not subject to repayment.

**Deadline:** FAFSA applications must be received by July 1 of the award year for which the application is intended. SAR or ISIR must be submitted to the financial aid office by June 30 of the award year for which aid is requested, or your last day of enrollment, whichever comes first. A valid ISIR requires signatures of student, spouse, and/or parents, if applicable.

**Renewal Process:** A PELL grant award received for one award year (July 1 to June 30 of the following year) is not automatically renewed for the next award year. Students must re-apply for the PELL grant and submit a copy of the new SAR or ISIR to the financial aid office.

**Disbursement:** Financial aid disbursements are made on the basis of each payment period. First payment period is available upon completion of all required documentation and confirmation of enrollment status. Second and subsequent payment periods are available once the student completes the required number of instructional weeks AND the required number of credits or hours in the payment period. They are made per payment period via a check payable to the student or via a direct credit to the student’s tuition account.

TREATMENT OF TITLE IV FUNDS IF THE STUDENT WITHDRAWS FROM THE COURSE OF STUDY

As of 10/7/00, Federal Regulations dictate specific formulas to determine the amount of Title IV Aid earned by a student withdrawing from the course of study. Simply stated, if the student withdraws before the sixty percent of the payment period in the course, the student would have earned the same percentage of aid received. For example, if the student withdraws at fifty percent of the payment period, the student would have earned only 50 percent of the aid received or eligible to receive.

To determine the percentage completed, the scheduled hours of class or the actual hours attended (if less than seventy percent of scheduled hours) will be divided by the total hours in the payment period. Unearned aid will be returned to the programs in accordance to the guidelines described in the regulations. Withdrawing students will be responsible for institutional charges not covered by student aid. Delinquent school accounts will be assigned to a collection agency after ninety (90) days from the documented withdrawal date. Collection agency expenses will be added to the balance owed to the school.

DETERMINING NEED

The information you report on the FAFSA (Free Application for Federal Student Aid) form when you apply for aid is used in a formula established by U.S. Congress that calculates your Expected Family Contribution. Lancaster Beauty School utilizes the FAFSA for students applying for aid. The results will be provided in the form of an Electronic Student Aid Report with the calculation of the Expected Family Contribution.

COST OF ATTENDANCE

Financial aid is awarded as follows:

Cost of Attendance: Estimates of cost of attendance for the academic year or period of enrollment are derived from the California Student Aid Commission’s annual budgets. These estimates include a cost for room, board, personal expenses, and transportation used for need determination only. To these costs, the actual institutional charges for an academic year or the period of enrollment are added to calculate the total cost of attendance.

AWARD CONCEPT, SELECTION OF RECIPIENTS, AND PACKAGING CRITERIA

This institution does not receive enough Campus-Based funds to satisfy all the student financial needs. Therefore, the school emphasizes the SELF-HELP CONCEPT of student financial assistance. The SELF-HELP CONCEPT is on a first-come, first-served basis when awarding eligible applicants. If the student does not wish to assume the combined debt of two or more loans, he/she may decline any loans offered by the school. ALL LOANS MUST BE REPAYED.

The SELF-HELP CONCEPT lists types of financial assistance in the following order:
1. Family contributions
2. Other resources
3. Federal PELL Grant
4. Self Help (Stafford and/or PLUS Loans)

DEFINITIONS

The following are definitions of some common financial aid terms:

ACADEMIC YEAR: A period of not less than 30 weeks of instructional time with a minimum of 900 clock hours of instruction for a full time student. The midpoint of the academic year shall be a minimum of 15 weeks and at least 450 clock hours. In effect, all students enrolled in courses with an academic year schedule to be completed in less than 30 weeks, regardless of the number of clock hours offered, would have aid eligibility reduced in proportion to the number of weeks and hours in the course of study in relation to the academic year.

CLOCK HOUR: Fifty to 60 minutes of supervised instruction during a 60-minute period.

DEPENDENT STUDENT: An individual that does not meet the independent student criteria. This student is required to submit with his/her application, student and parents’ income and assets data.

DEPENDENT: An individual other than the spouse that has been supported and will continue to be supported (50% or more of those individual personal expenses) by the student and/or spouse. If that individual is and will continue to be supported by the student parent(s), that individual would be a dependent of the parent(s), NOT a dependent of the student.

EXPECTED FAMILY CONTRIBUTION (EFC): The calculated amount that a family contributes to offset the student cost of attendance.

FINANCIAL AID ELIGIBILITY / CITIZEN / NON-CITIZEN:
You must be one of the following to receive federal student aid:
- U.S. Citizen
- U.S. National
- U.S. Permanent Resident who has an I-151 or I-551 (Alien Registration receipt card).
- An individual with a Departure Record (I-94) from the U.S. Immigration and Naturalization Service (INS) showing one of the following designations
  a. Refugee
  b. Asylum Granted
  c. Indefinite Parole and/or Humanitarian Parole
  d. Cuban-Haitian entrant
  e. Conditional Entrant (valid only if issued before 1980)
  f. An individual with an approval form I-797
  g. An individual with I-688 with valid expiration date

IF YOU ARE IN THE U.S. UNDER ONE OF THE FOLLOWING CONDITIONS, YOU ARE NOT ELIGIBLE FOR FEDERAL AID:
- F1 or F2 student visa
- J1 or J2 exchange visitor visa only
- I-688a, I-688b, or I688c (Amnesty Applicant)

INDEPENDENT STUDENT:
An individual who meets one of the following criteria:
1. Was born before January 1, 1985
2. Is a graduate or professional student
3. Is married (or separated but not divorced)
4. Is an individual with legal dependents other than a spouse (as defined above)
5. Is an orphan or ward of the court up to the age of 18
6. Is a veteran of the armed forces of the United States

PARENT(S): For the purposes of the financial aid programs, “a parent” is the mother and/or father or adoptive parents, step parent or legal guardian - not foster parents.

PAYMENT PERIOD: 450 hours and 15 weeks for courses of 900 hours or more, or the midpoint of the program for courses of less than 900 hours and 30 weeks.
CONDITIONS THAT EXCLUDE VERIFICATION EXCLUSIONS:

Recoveries resulting from unearned Title IV funds due from the student must be paid in accordance to the terms stated in the promissory note of the student loans. If funds from the grants programs are still due from the student, those funds are payable at the rate of 50%. Grant funds due from the student must be repaid within 45 days of the student's withdrawal date.

Students may make repayment arrangements with the U.S. Department of Education within the 45 days and present proof of such arrangements to the institution. If no repayment is received or arrangements presented, the institution will refer the debt to the U.S. Department of Education. The student will no longer be eligible for aid until informed by the U.S. Department of Education.

VERIFICATION PROCESS FOR THE 2013-2014 AWARD YEAR

Federal regulations 34 C.F.R. Part 668, Subpart E, dated March 14, 1986, April 29, 1994, November 29, 1994 - executing legislation 20 U.S.C. 1094 governing the Title IV programs require schools to be sure of certain applicant-reported data. These regulations require schools to develop written policies and procedures for verification. The school is required to make these policies available to all applicants for financial aid, as well as prospective students upon request. This procedure is part of the Admissions and Counseling process. To follow the regulations and achieve consistency governing this process, the following verification policies apply to all applicants for Title IV programs. Under the regulations, the school will not disburse Direct Loans or Campus-Based aid until completion of the verification process.

WHO MUST BE VERIFIED:
The policy of this school shall be to verify those students selected by the needs analysis (ISIR) system for verification. Verification is a process to "confirm" the accuracy of the information reported on the Free Application for Federal Student Aid (FAFSA). If your file is selected for verification, certain information must be proven. You will be required to complete a verification worksheet before aid can be disbursed.

VERIFICATION EXCLUSIONS: Conditions that exclude applicants from verification include:

- Death - Applicant dies during the award year or before the deadline for completing the verification.
- Incarceration - Applicant is incarcerated at the time the verification is to be performed.
- Certain immigration statuses - Applicant arrived in the U.S. during either the award year or the calendar year.
- Certain spouse/parent statuses: - Spouse or parent information is not required to be verified if the spouse or the parent is deceased, or physically incapacitated, or residing in a country other than the United States and cannot be contacted by normal means, or cannot be located because the address is unknown and cannot be obtained by the applicant.
- Completed verification - If the student completed the verification at another institution prior to transferring to this school and if all the following documents are provided from that school:
  - Letter stating that the verification process was completed
  - Copy of the application data that was verified, and
  - If the student was awarded FPELL Grant, a copy of the signed SAR/ISIR.
  - A completed Financial Aid transcript.
- Pacific Island residency status - Legal residents of the Trust Territory of the Pacific Islands, Guam, Samoa, and the Commonwealth of the Northern Mariana Islands. To qualify for this exclusion the parent(s) of a dependent student must also be a legal resident of one of these territories. Citizens of the Republic of the Marshall Islands, the Federated States of Micronesia or the Republic of Palau.
  - To qualify for this exclusion, the parent(s) of a dependent student must also be a citizen of one of these territories. To document the basis for this exclusion, the applicant’s permanent mailing address must be verified.
- No funds disbursed - the applicant will not receive federal aid funds.

REQUIRED VERIFICATION ITEMS: Different data items apply to different applicants depending upon student dependency status and the Title IV programs used. Data items include:

- Total number of persons in the household.
- Number of family members in the household now enrolled as at least half-time students in postsecondary educational institutions.
- Adjusted gross income (AGI) or adjusted gross family income (AGFI) for the base year (2008).
- U.S. income tax paid for the base year (2012).
- Certain untaxed income and benefits for the base year if certain conditions would apply include:
  - Social Security benefits.
  - Child support.
  - Untaxed payments to IRA or Keogh
  - Foreign income
  - Earned income credit
  - Interest on tax free bonds

The school shall resolve inconsistent application information for all applicants, in agreement with requirements of 34 C.F.R. Part 688.16(f).

DOCUMENTATION REQUIRED: Student, spouse and/or parents (as applicable) signed income tax forms (IRS 1040, 1040A, or 1040EZ and W-2 forms). Applicants shall complete the appropriate sections of the Verification Worksheet. The financial aid officer will advise the student regarding the required verification worksheet.

There are two different worksheets: One for dependent students and one for independent students. The worksheets are used to update information and verification of the data. Applicants shall follow the instructions in the Verification Worksheet. The school’s financial aid officer may require/provide other appropriate forms.

TIME PERIOD FOR PROVIDING DOCUMENTATION:
Applicants must provide the required documentation within 60 days from the last day of attendance or August 31, whichever is earlier.

APPLICANT RESPONSIBILITIES: To be eligible to receive Title IV funds, we require applicants to provide requested information during the time period(s) specified in these policies.
Applicants must certify that the following data items are correct as listed on the original application; or, if not correct, must update the data items, as of the date of verification:

- Number of family members in the household
- Number of family members in the household now enrolled as at least half-time students in postsecondary educational institutions.
- Change in dependency status. Federal PELL Grant applicants whose dependency status changes during the Award Year must file a correction application. This process does not apply if the change occurs due to marriage.
- Campus-based applicants whose dependency status changes during the Award Year must have their EFC re-calculated. This process does not apply if the change occurs due to marriage.

The applicant must repay any over award, or any award, discovered during verification, for which he/she was not eligible.

CONSEQUENCES OF FAILURE TO PROVIDE DOCUMENTATION WITHIN THE SPECIFIED TIME PERIOD

If the student cannot provide all required documentation, the school cannot complete the verification process within 60 days from the date of the request. The school must then advise applicants that they are not eligible for financial aid funds.

The school then gives the applicants the following options:

- The student may continue training on a cash payment basis.
- The student may withdraw, and re-enroll at no additional charge. There will be no loss of credit earned when the student provides all proof and verification is complete.
- The applicant must repay any over award or any award for which he/she was not eligible discovered during verification.

INTERIM DISBURSEMENTS: The school may not make any interim disbursements. The student must complete verification before disbursement of any Title IV funds.

TOLERANCES: If there are non-dollar errors and if the errors in dollar items total less than $400, there is no requirement to recalculate the student’s EFC.

NOTIFICATION OF RESULTS OF VERIFICATION: The school shall notify the applicant of the results of the verification process within 30 days of the student’s submission.

REFERRAL PROCEDURE: The school shall forward to the Secretary of Education referral of fraud cases.

- Community service with one of the above stated agencies
- Termination of enrollment or employment

SCHEDULE A

ALCOHOL USES AND EFFECTS

Alcohol consumption causes a number of marked changes in behavior. Even low doses significantly impair the judgment and coordination required to drive a car safely, increasing the likelihood that the driver will be involved in an accident. Low to moderate doses of alcohol also increase the incidence of a variety of aggressive acts, including spouse and child abuse. Moderate to high doses of alcohol cause marked impairments in higher mental functions, severely altering a person’s ability to learn and remember information. Very high doses cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce the effects just described.

Repeated use of alcohol can lead to dependence. Sudden cessation of alcohol intake is likely to produce withdrawal symptoms, including severe anxiety, tremors, hallucinations, and convulsions. Alcohol withdrawal can be life-threatening. Long-term consumption of large quantities of alcohol, particularly when combined with poor nutrition, can also lead to permanent damage to vital organs such as the brain and the liver.

Mothers who drink alcohol during pregnancy may give birth to infants with fetal alcohol syndrome. These infants have irreversible physical abnormalities and mental retardation. In addition, research indicates that children of alcoholic parents are at greater risk than other youngsters of becoming alcoholics.

### SEXUAL HARASSMENT

Sexual harassment is considered to be a sexual offense. In basic terms, sexual harassment is defined as any unwelcome advances, request for sexual favors, or other verbal or physical conduct of a sexual nature. The key is “UNWELCOME” sexual behavior. For example, a group of employees may be telling dirty jokes that are unwelcome to some employees.

There are five types of sexual harassment:

- Suggesting or insinuating that employment, higher grades or future promotions will be given in exchange for sexual favors.
- Demanding language focused on gender: sexual comments about a person’s body; telling sexual jokes or stories; spreading rumors about a co-worker or fellow student’s sex life, asking or telling about sexual fantasies, preferences or history.
- Staring at a person’s body; sexual gestures focused on body parts; giving personal, unwanted gifts; following a person; sending suggestive letters, notes, illustrations or photographs.
- Any manner or unwanted touching, including brushing up against another person suggestively or touching yourself in a sexual manner in front of others.

66
A sexually-poisoned work or school environment where the atmosphere makes it difficult for an employee or student to work or feel comfortable. This includes a wide range of behaviors and actions from displaying sexually suggestive pictures, cartoons, and illustration, to telling suggestive stories and jokes or using sexual gestures.

LEGAL GUIDELINES – HOW TO AVOID SEXUAL HARASSMENT

1. Assume that none of your co-workers or fellow students likes sexual comments or gestures, and do not say them or do them at all.
2. A company’s sexual harassment policies extend to all off campus functions, as well as in the office or classroom.
3. Your co-workers’ and fellow students’ personal lives and homes are private. Do not intrude.
4. Statements or stories that demean people based on gender or sexual preference are illegal.
5. Sweep generalizations based on gender or sexual persuasions are unacceptable.
6. Do not talk to co-workers or other students about your dating, sexual or marital life.
7. Compliment people only on the quality of their work, not their appearance.
8. Address your co-workers, teachers or fellow students respectfully and by their correct names only.
9. Sexual storytelling and joking in the work place are unacceptable.
10. Speak to a person’s eyes, not any other part of the body.
11. Be respectful of the privacy of a co-worker or fellow student’s work space.
12. Displaying or sending sexual notes, photographs, illustrations or cartoons is unacceptable.
13. Demeaning and degrading language and behavior based on gender or sexual persuasion is illegal.
14. A handshake is an acceptable gesture. Any other touch may be sexual harassment and illegal.
15. Involvement between non-married co-workers is discouraged.

If a student or employee has been the victim of any sexual offense, including sexual harassment on campus or during a school related activity, and wishes to report the offense, it is the school’s policy that the offense be reported at once to the school director or administrator in charge. The student or employee must contact the Administration staff immediately so that an investigation can begin as soon as possible.

Students who become victims of sexual offenses on campus involving another student(s) will be given the option of transferring to another class to avoid contact with the accused individual.

Student Tuition Recovery Fund

You must pay the state-imposed assessment for the Student Tuition Recovery Fund (STRF) if all of the following applies to you:
1. You are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition either by cash, guaranteed student loans, or personal loans, and

1. You are not a California resident, or are not enrolled in a residency program, or
2. Your total charges are paid by a third party, such as an employer, government program or other payer, and you have no separate agreement to repay the third party.

The State of California created the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic losses suffered by students in an educational program who are California residents, or are enrolled in a residency program attending certain schools regulated by the Bureau for Private Postsecondary Education.

You may be eligible for STRF if you are a California resident or are enrolled in a residency program, prepaid tuition, paid the STRF assessment, and suffered an economic loss as a result of any of the following:
1. The school closed before the course of instruction was completed.
2. The school's failure to pay refunds or charges on behalf of a student to a third party for license fees or any other purpose, or to provide equipment or materials for which a charge was collected within 180 days before the closure of the school.

4. There was a material failure to comply with the Act or this Division within 30 days before the school closed or, if the material failure began earlier than 30 days prior to closure, the period determined by the Bureau.

Refund Policy

STUDENT’S RIGHT TO CANCEL

1. You have the right to cancel your agreement for a program of instruction, without any penalty or obligations, through attendance at the first class session or the seventh calendar day after enrollment, whichever is later. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro rata refund if you have completed 60 percent or less of the scheduled days in the current payment period in your program through the last day of attendance.
2. Cancellation may occur when the student provides a written notice of cancellation at the following address: Lancaster Beauty School, 44646 North 10th Street West, Lancaster, CA 93534. This can be done by mail or by hand delivery.
3. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.
4. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
5. If the Enrollment Agreement is cancelled the school will refund the student any money he/she paid, less a registration or administration fee not to exceed $75.00, and less any deduction for equipment not returned in good condition, within 45 days after the notice of cancellation is received.
WITHDRAWAL FROM THE PROGRAM

You may withdraw from the school at any time after the cancellation period (described above) and receive a pro rata refund if you have completed 60 percent or less of the scheduled days in the current payment period in your program through the last day of attendance. The refund will be less a registration or administration fee not to exceed $75.00, and less any deduction for equipment not returned in good condition, within 45 days of withdrawal.

For the purpose of determining a refund under this section, a student shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- The student notifies the institution of the student’s withdrawal or as of the date of the student’s withdrawal, whichever is later.
- The institution terminates the student’s enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; absences in excess of maximum set forth by the institution; and/or failure to meet financial obligations to the School.
- The student has failed to attend class for 14 days.
- The student fails to return from a leave of absence.

For the purpose of determining the amount of the refund, the date of the student’s withdrawal shall be deemed the last date of recorded attendance. For the purpose of determining when the refund must be paid, the student shall be deemed to have withdrawn at the end of 14 days.

For programs beyond the current “payment period,” if you withdraw prior to the next payment period, all charges collected for the next period will be refunded. If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received, and any remaining amount shall be paid to the student.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Procedure for Keeping Account of Student Hours and Practical Operations

Each student is registered in a biometrics time clock the first day of class. The student is responsible for clocking in and must clock in and out each day he/she is in attendance. If a student fails to clock in or out, he/she will not receive hours for that time. The clock is downloaded to the institution’s computer to collect the data, which is processed weekly. Time sheets are posted in the theory classroom and at the front desk for the student to check his/her attendance for the prior week. The practical and theory work that is completed by the student is collected on an individual work sheet for each student weekly. An instructor verifies the information, signs the forms, and the information is posted to the student’s records in the computer software. Lancaster Beauty School uses software designed to accumulate hours, operations, theory, test results and financials for each student. Students are given account numbers when they start school and all information regarding each student is posted to his/her account.

Copyrighted Materials Policy and Sanctions

Unauthorized distribution of copyrighted material, including peer-to-peer file sharing and the unauthorized use of the Institution’s information and its technology systems, may subject a student to civil and criminal liabilities and penalties of federal copyright laws. Students engaging in unauthorized use of copyrighted materials, including peer-to-peer file sharing, illegal downloading or unauthorized distribution of copyrighted materials using the school’s information technology system, may face termination from the institution. In addition, the student may face criminal penalties as summarized below. This summary is not all-inclusive, and the student needs to be aware of the severe sanctions resulting from violation of these policies.

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or “statutory” damages affixed at not less than $750 and not more than $30,000 per work infringed upon. A court can, at its discretion, also assess costs and attorney’s fees. For details, see Title 17, United States Code, Section 504, 505.

Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to $250,000 per offense.

8. Persons who need to know in case of health and safety emergencies;
9. State and local authorities, within a juvenile justice system, pursuant to specific state law;
10. Subpoenas by court order.

Parents or eligible students have a right to inspect and review their records at any time during normal business hours. Parents and eligible students have the right to request an amendment of their
records and, if denied, may make a written request for a hearing. Records will include, but not be limited to:

1. Required enrollment applications and supporting documents;

SCHOOL RULES AND REGULATIONS

PROFESSIONALISM & DRESS CODE

Professional conduct is the only level of conduct we expect from our students. A professional does not arrive late. (S) He treats clients, instructors, and fellow students with courtesy and awareness. (S)he is constantly taking time to follow rules of good grooming and proper sanitation. The following rules are important. If you disobey them, you may be dismissed from the school. None of these rules are "picky" or arbitrary. They reflect the level of conduct you will be expected to maintain throughout your career. The best way to begin that career is to act like the professional designer you want to be.

Foul language is a characteristic of a limited vocabulary and will not be tolerated anywhere in the school.

FOR ALL STUDENTS: Shoes must be polished or cleaned regularly to ensure cleanliness. Any type of boots or high heels is not acceptable school shoes. The entire foot must be covered for safety. - Labor Day
- Memorial Day
- Thanksgiving Day
- July 4th Break
- Christmas Break

No student will be allowed time off for holidays other than the actual legal holiday.

**STUDENT TIME CLOCK HOURS**

At all times, clock in upon entering the school and clock out upon leaving the school. This applies to the lunch period also. The clock-in procedure is necessary to meet the State Board requirements for documenting the number of hours you are in school. Clocking in when you are not actively engaged in Cosmetology on the school premises is also considered fraud. Students who leave the premises without clocking out will be subject to suspension or withdrawal. You must clock in and out.

The time clock is the student's responsibility. Each student must clock in and out as this is the only method of recording time. When you clock out for lunch, you must also sign out at the desk. You must also have your instructor's permission before leaving your assigned area. It is extremely important that you clock out as directed, as any student who does not respond to a page from the desk and is not clocked out, will be clocked out for the day. If you arrive late in the morning, you will not be allowed to clock in until after the theory class is completed. No exceptions. Late is late.

Applied effort must be signed for daily by both the instructor and the student. In order to receive credit, applied effort slips must be turned in to the office in
accordance with instructions received.

Any schedule other than days (40 or 30 hours per week), nights (25 hours per week), must be approved in advance by the office.

All students are to attend five hours of theory per week. A minimum of 1/4 hour of sanitation must be completed daily by each student. Clean up assignments are a part of your training as required by the State Board of Cosmetology in their rules and regulations. Each student is required to do their part as assigned.

EQUIPMENT & SUPPLIES

All students must have approved equipment and textbooks with them at all times. The school cannot be responsible for your property if lost or stolen. We recommend that you mark all of your equipment and personal belongings with your name or initials. The student must provide their own lock for their locker when it is assigned. Upon graduation or a leave of absence, you must vacate your station and/locker. Personal effects or equipment left in the lockers after 30 days will be removed and the school assumes no responsibility for these items. They will be disposed of in any way convenient.

Each student is issued all handouts, books, software, and equipment throughout their training. It is your responsibility to bring your equipment every day. The school will not replace any lost property. You will have to replace it.

You will be issued a name tag when you pass your freshman exam. You are required to wear your badge and replacement cost is $20.00. Badge cannot be altered in any way.

SERVICES / PERSONAL SERVICES

No student is allowed to perform any service without a sales slip from the desk. All students must pay student prices for beauty supplies used for personal use. You must pay for your products in advance and give your sales slip to an instructor before receiving any product.

For any services performed on family or friends, the full service price will be paid. There are no discounts offered for friends or relatives of students.

Personal work is not permitted on Fr. In order to have personal services, you must have been in theory all the week prior, practical’s must be completed and in attendance all day Saturday (Day Students) or Friday (Night Students). Students must have permission from the receptionist and their instructor to have personal work done.

ATTENDANCE & GRADES

If you are absent, you must report the reason to the office. The office must be notified before your Session starts (before 8:30 am or 5:00 pm). The office must be notified every day you are not in attendance or if you are going to be late. Notify the school as far in advance as possible about scheduled appointments made during school hours, so the school can reschedule any of your possible Cosmetology/Barber/Manicuring/Esthetician appointments. Any absences will go toward your accumulative absent hour total and you will be subject to your contact hourly charge. A student not in attendance or in school by 8:30am on Saturday without consent or a doctor's excuse will be suspended from school for three (3) days. Any night student not in attendance on Friday or Monday nights without a doctor's note to verify the absence will be suspended for three (3) days.

Prior consent for absence for a day student (Saturday), or absence for a night student (Monday or Friday night) must be in writing to the office well before the date of the absence, or the student will be suspended for three (3) days. Exceptions will be determined by the administrative office and reviewed on an individual basis.

Leaves of absence will be granted only by the school director, if it is in the best interest of the student and their education. A leave of absence will be granted for an extended illness substantiated by a doctor's note or a death in the immediate family.

In order to maintain satisfactory progress in school, you must have good attendance monthly and a grade point average of not less than 75% on your theory tests. Satisfactory progress is defined as follows: You must maintain an attendance average of 67% or above of the scheduled hours of attendance. If you fall below satisfactory progress, you may be with-drawn from school.

TESTS / FINALS

A test is given after each chapter in theory is completed. If you miss a test, it is your responsibility to make up the test promptly. If you do not make up the test, it will count as zero and averaged in with your grades. If you receive zero on a test, it can drop your grade point average drastically. If this happens, it
is nearly impossible to reestablish satisfactory progress. If you do not turn in your workbook or assignments points will be deducted from your monthly progress report.

All students will be given a Mock Board exam toward the end of training. These are scheduled in advance and you will be notified of the date when it is scheduled for you. Students not taking the scheduled test will be charged and additional $300.00 to take a later test or an additional test due to failure. This test is given for your benefit to prepare you for the State Exam. You will not be allowed to graduate from the school until the Mock Board Exam has been taken and passed.
You must completed all clinical and theory work, required hours of training, all tests, passed all final exams and have paid the school in full to receive your diploma, your proof of training or have a graduation ceremony.
