Evaluation Methods:

All students receive a complete theory and practical test after 500 hours. It simulates actual State Board Procedure and constitutes a final exam. Individual tutoring, if needed, is available in preparation for the State examination.

Theory: Lectures are given on all cosmetology practices; including personal hygiene, good grooming; salesmanship, courtesy, neatness, attitude in meeting the public; and antiseptics. Each student will be tested at the end of each lesson/chapter in theory.

Operations: Hands on practice of clinical operations. Each student is graded monthly in his/her practical work, attendance, appearance, and attitude.

The grading system is as follows:

<u>Percentage</u>	<u>Letter Grade</u>	<u>Signifying</u>
94 - 100%	A	Outstanding
87 - 93%	B	Above Average
80 - 86%	C	Average
75 - 79%	D	Below Average
Below 75%	F	Failing

Progress reports are generated monthly by our computer system. Students receive a copy, and a signed copy is maintained in the student's academic file. Students are counseled bi-monthly. The school maintains complete records on each student/graduate for reference, as required by the state.
